In accordance with the instructions conveyed by the First Member in his Minute dated 21st November 1921, I wrote to Mr. Krumbiegal a D.O. letter requesting information as to whether he proposed Mr. Sitaram Chetty or Mr. Y. Rama Rao to act for the Asst. Superintendent, Government Gardens during the latter's deputation to Europe. A copy of the letter sent by me to Mr. Krumbiegal is enclosed in the file. In reply to this letter Mr. Krumbiegal has sent his D.O. letter No. 940 dated the 1st December 1922. As the statements made in the letter appeared to be based on ~~certain~~ a misconception of facts in regard to ^{the} circumstances - under which the post of Asst. Superintendent, Government Gardens was created, as well as the permanent post of Mr. Y. Rama Rao, I beg to note below the changes effected in the organisation of the Gardens Department subsequent to Mr. Krumbiegal's internment.

Mr. Krumbiegal was interned on the 27th March 1916. The establishment of the Gardens Department was reorganised in accordance with the proposals submitted by the Offg. Superintendent on the 22nd May 1918. Under G.O. No. G/5788-9/G.M.178-16-36 dated 22nd May 1918 this order provides for only a Curator on Rs. 150+15 under the control of the Superintendent and Economic Botanist who is the Head of the Department. It does not make any mention of any Asst. Superinten-

dent

Government Gardens. The post of the Asst. Superintendent, Government Gardens was first created under G.O. dated 26th October 1918, subsequent to the reorganisation of the entire department 5 months before. Mr. H.C. Javaraya, who had been relieved from charge of the Palace Gardens in April 1918 was appointed as Asst. Superintendent, Government Gardens in the G.O. dated the 26th October 1918. He was placed in charge of the Lal-Bagh Gardens including the Horticultural School, the Sunkal Farm, ~~Gardens~~^{the} Museum and the Cubbon Park etc. There was no Superintendent in charge at the time as Mr. Bhishtopanth Badami who was sometime before officiating as Superintendent had reverted to his permanent place in the Accounts Department. Mr. Y. Rama Rao who held the appointment of Curator in the Lal-Bagh was put in sole charge of the Hill-Stations independent of the Asst. Superintendent, Government Gardens and continued to be designated as Curator.

Mr. Krumbiegal returned from internment on the 26th December 1919 and the acting arrangements which had been made during his absence, viz., the administrative control of the Chief Secretary over the two officers of the Department, were cancelled in G.O. dated the 8th January 1920.

This G.O. did not in any way affect the appointment of Asst. Superintendent, Government Gardens which

had been created during the absence of the permanent Head of the Department, nor did it make any change in the duties of the Curator which were transferred from the Lal-Bagh to the Hill-Stations. Under the orders of the Member, however, Mr. Krumbiegal was asked repeatedly to submit proposals for a proper distribution of work among the two officers of his department. As he failed to reply to the letters addressed to him from the Secretariat this question has since been dropped under the orders of the First Member.

After Mr. Krumbiegal's return he submitted a recommendation to Government, No. 1713 dated 10th February 1921 on behalf of Mr. D'Souza, Propagator, Lal-Bagh, to the effect that this officer may be given charge-allowance for discharging the duties of the Curator, Lal-Bagh in addition to his own. The Superintendent, stated that Mr. D'Souza was discharging the duties of Curator, Lal-Bagh from 1st November 1918 till 1920. It was stated that as the Curator's appointment in the Lal-Bagh was vacant a charge-allowance of Rs. 15 viz., 10 per cent of the pay of the permanent post may be sanctioned to Mr. D'Souza.

The papers were referred to the Financial Secretariat for opinion. It was held that the Curator's post was not vacant during this period and that no charge-allowance could be sanctioned. This was - -

communicated to the Superintendent in G. No. 18783 dated the 6th April 1921.

Coming to the D.O. No. 940 dated 1st December 1921 addressed to me by Mr. Krumbiegal, I beg to point out that his statement that the Asst. Superintendent was appointed to assist him in the routine work of his department including the Hill-Station is incorrect. The Asst. Superintendent was not appointed during Mr. Krumbiegal's time and this officer ~~was the Superintendent &~~ was never in charge of the Hill-Station as noted above.

In the fourth paragraph of his letter Mr. Krumbiegal states that the work of the Curator, Lal-Bagh was thrown on the Asst. Superintendent, the Entomologist and the Propagator. But in his letter dated the 10th February 1921, Mr. Krumbiegal had stated that the duties of the Curator were discharged by the Propagator. However it may be, the Superintendent has already been officially intimated that the post of the Curator could not be considered as being vacant. At the time of the re-organisation of the department in May 1918 there was only one Chief Subordinate Executive Officer, viz., the Curator, under the control of the Superintendent. At present there are two men, viz., the Asst. Superintendent and the Horticultural Entomologist. It is not likely that under the

Serial
No.

present circumstances a third appointment, viz., that of a Curator, will be sanctioned by Government, as it has already been ruled that the post of a Curator, Lal-Bagh cannot be considered as vacant.

In case the Superintendent is not willing to permit Mr. Y. Rama Rao, to act for the Asst. Superintendent, Government Gardens, there will perhaps be no alternative but to retire this Officer as the post of the Curator, Hill-Stations has been abolished by Government.

In view of the misconceptions of fact underlying the D.O. letter of the Superintendent, it may perhaps be advisable, if the Member approves, to have the whole question considered with the Superintendent at a personal interview.

Member's orders:

The interview may come off in the first Member's Chamber on Tuesday next. (19th inst) at 3.30. pm.

Mr Krumhiegel saw Mr First member yesterday and the position was explained to him. He was informed that the post of Curator, Lalbag, must be considered to have been abolished when the Curator's office was abolished and the Asst. Supr. Govt. Gardens were appointed. As this post did not exist, Mr Krumhiegel was informed that Mr Y. Ramakrishna should have to be retired if Mr Krumhiegel did not wish to allow him to act as Asst. Supr. Govt. Gardens but said that the post of Curator, Lalbag, was necessary and that he would address Govt. separately on the subject. Perhaps the Draft order may now be finally approved and the final note signed, if there is no objection.

Final Note by the First Member of Council.

Subject:—

Retrenchments which may be effected in the expenditure on Hill Stations.

I beg to invite reference to my Final Note dated 31st May 1922, proposing to submit for His Highness' consideration, a note on the expenditure on Hill Stations after a consultation with Mr. Krumbiegel. Proposals for the efficient working of the Hill Stations and for the appointment of a Senior Officer for charge of the gardens at Mysore City have also been invited in demi-official letter, No. 19 dated 20th July 1922 from His Highness' Private Secretary to the Dewan. I have discussed all these subjects with Mr. Krumbiegel and my minute dated 11th October 1922 contains the final conclusions arrived at after considering all aspects of the questions involved.

2. Mr. Krumbiegel was agreeable to the abolition of the posts of the Curator and the Hill Assistant, provided a Daroga on Rs. 50/- a month was sanctioned for the direct charge of the staff there. The budget for the current year has reduced, the grant for Improvement and Contingencies under Hill Stations from Rs. 5,528/- to Rs. 4,928/-. Mr. Krumbiegel considered that no further reductions could be made without diminishing the efficiency and the usefulness of the Station. As the recommendation of the Special Finance Committee regarding the abolition of the posts of the Curator and the Hill Assistant has already received the sanction of His Highness, orders are proposed to be issued to this effect. The pay of the Daroga is proposed to be increased from Rs. 40/- to Rs. 50/-, the increase in salary being found by the abolition of one of the peons as recommended by the Superintendent. I agree with the Superintendent that no further reductions than those already effected in the budget can be made in the allotment on Improvements, Contingencies. The order issued regarding retrenchment in the expenditure on

Recd

(20)

on Hill Stations is submitted for gracious information.

3. The Superintendent suggests an increase in the rates of rent charged for the occupation of the Bungalows at the station with a view to make it as self-supporting as possible and also proposes a revision of the Tariff to meet the general rise in prices. The increases proposed in the memorandum attached to the draft have been carefully considered and may be graciously approved.

4. In the Private Secretary's letter referred to above, a suggestion has been made for the transfer of Mr. Y. Rama Rao, Curator, Hill Stations, to his post in the Lal-Bagh. Mr. Y. Rama Rao has no lien on any post in the Lal-Bagh and would, in the ordinary course, have had to be retired on the abolition of the post of Curator. Mr. Krumbiegel desires that a suitable officer may be posted at the Lal-Bagh for carrying on the duties of the Assistant Superintendent (Mr. Javaraya) who is now on deputation. It is proposed that Mr. Y. Rama Rao may be temporarily posted for work at the Lal-Bagh as Assistant Superintendent till the return of the permanent incumbent. Mr. Krumbiegel is agreeable to this proposal which is also accepted by the Council. Mr. Krumbiegel also recommends that a Senior Officer should be posted for charge of the gardens and parks at Mysore City. This subject has been referred to in the letter of the Private Secretary. The Council are agreeable to the appointment of A. Rama Rao (formerly Hill Assistant) as Curator, Mysore Parks and Gardens, on a salary of Rs.75-5-125. The increase in the expenditure in consequence of this appointment will be met from the savings in the Hill Stations Budget.

5. These proposals have been approved by the Council and are embodied in the draft order. They may be graciously approved.

10th January 1923.

P. Raghavadas
MEMBER OF COUNCIL 18.1.23

(21)

Submitted to His Highness.

These papers relate to the proposals for retrenchment in the expenditure on Hill Stations.

2. I beg to invite reference to D.O. letter No. 19 dated 20th July 1922 from the Private Secretary conveying the orders of His Highness on the subject. The First Member of Council has forwarded a minute embodying his proposals for the efficient working of the Nandidroog Hill Station after consultation with Mr. Krumbiegel. Mr. Krumbiegel is agreeable for the abolition of the posts of Curator, Hill Stations, and the Hill Assistant in case a Daroga on Rs. 50 is appointed for the immediate charge of the Hill stations. The proposals for the reduction of expenditure on establishment and other charges in the Nandidroog Hill Station embodied in the Member's minute, which have been considered in Council, result in a retrenchment of Rs. 4,266-10-8 per annum.

3. Mr. Krumbiegel has also suggested a slight increase in the rent charged for the occupation of the bungalows at the Nandidroog Hill station as well as an enhancement in the tariff rates for meals etc. in view of rise in prices

4. It has been suggested in the D.O. letter of the Private Secretary that Mr. Y. Rama Rao can be sent back to his post in the Lal-Bagh. The post of the Curator, Lal-Bagh was abolished at the time the post of Curator, Hill stations, was created in October 1918. As it would be inexpedient to create afresh the post of Curator, Lal-Bagh, in view of the fact ^{that} a gazetted Assistant has been sanctioned subsequent to the abolition of the post of the curator for work under the Superintendent, Government Gardens, it was considered in the Council that there was no place for Mr. V. Rama Rao at the Lal-Bagh and that he should have to be retired unless Mr. Krumbiegel desired

(22)

to retain his services against the post of the Assistant Superintendent, Government Gardens, now vacant as the permanent incumbent, Mr. Javaraiya, is on deputation in England. Mr. Krumbiegel is agreeable to this arrangement which may therefore be graciously approved.

5. In regard to the suggestion for the appointment of a more senior man than an ordinary officer for charge of the numerous gardens in the Mysore City, contained in the Private Secretary's letter, Mr. Krumbiegel recommends that the post of the Curator, Mysore Parks and Gardens on a salary of Rs. 75-5-125 may be created for charge of work at Mysore. The Council are agreeable to this proposal and suggest that the former Hill Assistant, Mr. A. Rama Rao may be transferred to Mysore, the expenditure on account of this new appointment being met from the savings effected in the hill stations establishment.

6. These proposals have all been considered in Council and the draft orders in which they are embodied may therefore be graciously approved by His Highness.

Raises the tariff rates ^{for} ^{services}
rent for occupation of bungalows
on the Nandi hills.

(27)

Summary of the discussion between the Officer on Special Duty with the Dewan, and the Curator, Hill Stations.

As instructed by the First Member of Council, I saw Mr. Y. Rama Rao, Curator, Hill Stations, and ascertained from him the arrangements now in force in regard to the provision of meals to the Indian Visitors at the Nandi Hill Station and the practicability of raising the tariff rates.

Mr. Rama Rao stated that the fee charged to an Indian Visitor per day for supplying 2 meals and also coffee twice a day is Rs. 1-4-0 (8 annas per meal and 2 annas per cup of coffee). He also said that lunch was provided on separate payment at the rate of two annas per plate. He is of opinion that the tariff rate might be increased from 8 to 10 annas per meal and that the rate per plate of lunch ~~raised~~ raised to 4 annas, the charge for coffee remaining the same. The charge for providing food to servants is now annas 4 per meal. Mr. Rama Rao suggested that it might be raised to annas 6 per meal. I beg to submit that I agree with Mr. Rama Rao and that this small increase might be tried during the next year.

There are two Indian Cooks, one on Rs. 30 and another on Rs. 18 per month, on the establishment of the Hill Stations, but I understand that only one is employed permanently. The Assistant cook on Rs. 18 is employed temporarily for the season. He is paid Rs. 18 per month during the period he is employed.

Pass

The provisions are obtained by the Cook and the meals prepared are charged for at the rates already mentioned. The cook pays 10% to Government on the total charges and the income last year ^{on his account} is reported to have been Rs. 168.

There is at present no systematic check on the number of persons provided with meals by the cook except the bungalow registers showing, from time to time, the occupants of bungalows at the Hill Station, and the commission is adjusted -- once a year. In order to avoid room for abuse Mr. Rama Rao is agreeable to have counterfoil books issued by the daroga to the cook, authorising the ^{supply} ~~provision~~ of meals to ~~the~~ visitors, who might desire the same. This will regularise the accounts maintained by the Cook and the payment of the commission might be adjusted once a month, instead of once a year.

The practice in regard to European meals does not appear to stand in need of any change. The nati provides meals to European visitors and submits a bill of actual cost together with ~~an~~ an additional sum of Rs. 0-8-0 per day for his services. He is allowed to retain annas 4 of this additional charge and the rest is paid to Government. The income under this head last year was Rs. 25-10-0.

Shy. not have counterfoil books for him also?
Pell

In regard to the proposal for raising the rent of rooms in the bungalows at the Hill Station, Mr. Rama Rao considered that the proposal of Mr. Krumbeigel to increase the total rent from Rs. 34 to Rs. 60 was rather ^{excessive} ~~too high~~. He was of opinion that the rates might be increased as per statement submitted herewith raising the

3.

total of maximum income from Rs. 34 to Rs. 52.
This would give an increase of more than 50%
and might perhaps be approved. The rates now
suggested have been fixed with reference to the
conveniences provided in the rooms.

With reference to my minute dated 25th July 1922 I had a discussion with Mr. Krumbeigel on the 11th of last month in regard to the retrenchments ~~can~~^{which} may be effected in the expenditure on Hill Stations and the additional assistance he requires in the management of Government -- Gardens at Bangalore and ^{at} Mysore. The General Secretary as well as the Officer on Special Duty with the Dewan were present at the time.

Mr. Krumbeigel is agreeable to the abolition of the posts of both the Curator and the Hill Assistant in the establishment of the Hill Stations. This will effect a saving of Rs. 3,600 per annum as against a total expenditure on establishments ~~amount~~ of Rs. 9,072. In the subordinate establishment costing at present Rs. 4,572, Mr. Krumbeigel was also agreeable to the abolition of one of the two peons resulting in a saving of Rs. 120 per annum.

In view of the abolition of both the --- Curator and the Hill Assistant, he suggests that the pay of the Daroga might be raised from Rs. 40 to Rs. 50 per month absorbing the saving to be effected by the abolition of ^{one of} the peons. I think this is an unobjectionable suggestion and might be approved. The total expenditure on establishments will therefore remain at its present figure of Rs. 5,472.

True
The budget provision during the current year on the Hill Stations exclusive of the charges on establishment is Rs. 4,928. I have gone through the figures very carefully with Mr. Krumbeigel and do not think that any retrenchment under this head is practicable. The

The total expenditure on Hill Stations inclusive of establishment will therefore be Rs. 10,400.

In regard to the raising of tariff rates and the increase of rent chargeable to the visitors ^{in the Bungalows on} for the occupation of the rooms ~~in~~ the Hill Station, the Special Officer on duty with the Dewan was asked to meet the Curator and the note submitted by him as a result of his discussion with the Curator is enclosed. I am of opinion that the rents might be increased as per statement submitted by the Special Officer after discussion with the Curator. This provides for an increase of about 50%, the maximum daily charges being ~~Rs. 34~~ raised from Rs. 34 to Rs. 52. The tariff rates for the Indian Visitors might also be increased from Rs. 1-4-0 to Rs. 1-8-0 per day.

Mr. Krumbeigel explained that the average annual expenditure on Bungalows at Mandidroog before the conversion of the place into a regular Hill Station in 1914 was about Rs. 4,300 in the Public Works Department and Rs. 600 in the Gardens Department, making a total of Rs. 4,900 per annum. The income from the bungalows, ~~that is~~ (from about 50 to 60 visitors per annum), is reported to have been ^{Rs.} 477, the net expenditure on the bungalows to Government being Rs. 4,423 or roughly Rs. 4,450. The number of visitors during the last 2 or 3 years ~~has stood~~ at about 850 and the annual income is about Rs. 4,000. The increase in the rent proposed in my minute might be expected to raise the receipts in normal years to between Rs. 5,500 & 6,000. This will leave the net expenditure on the Hill Stations to an amount (Rs. 4,500) equi-

Plus

3.

equivalent to that spent on the bungalows before the constitution of a regular hill station in 1914.

In view of the large number of Government Gardens which have now to be looked after at Mysore, ^{at} I think Mr. Krumbeigel's proposal for ^{for that change} the appointment of a Curator may be sanctioned. The Hill Assistant Mr. Rama Rao, who has been temporarily posted to Mysore already, might be appointed Curator, Government Gardens, Mysore, on his present pay of Rs. 75-5-125. Mr. Y. Rama Rao, Curator of the Hill Stations might be posted for duty at Bangalore in place of the Assistant Superintendent ^(Mr. R. J. J. J.) deputed for foreign training.

Sir,

I have the honor to state that the work of this Department in Mysore City & District has increased both in --- quantity and importance to such an extent that for its efficient supervision and technical directions, an Official better qualified than the present Park Overseer is urgently required. When the former Overseer (who was a diploma man) retired, it was ---- contemplated that there should be two sections made under two Darogas with a fully qualified Officer in charge of the Sub-Division and with that view, the present man was appointed on Rs. 60/- instead of the previous incumbent's pay of Rs. 100/-.

2. Last year the Assistant Superintendent, Mr. Javaraya was placed in charge for sometime and the Hill Station Curator Mr. Y. Rama Rao deputed to look after the work in the Lal-Bagh. Thereby however the office work suffered and finally Mr. Rama Rao got seriously ill through exposure in connection with his out-door duties. The Assistant Superintendent had therefor to be recalled and Mr. Rama Rao on his return had to go to Nandy to his legitimate work as the season had then opened.

3. In the meantime I have deputed Mr. A. Rama Rao the Hill Assistant to Mysore because besides the extensive maintenance work there was a good deal of original laying out work in ----- connection with His Royal Highness the Prince of Wales's visit.

5 Outside this direct charge we are asked to improve and supervise and subsequently arrange taking charge of the gardens at

17. Krishnaraja Hospital
18. Railway Station and Office
19. Exhibition grounds
20. Gumbuz.

6 Further we have laid out under the charge of the Municipality or Improvement Trust Board

21. The Peoples' Park
22. Avenues and public squares
23. The Sewage Farm

Though these are in charge of an Avenue Inspector and a Farm Manager on Rs.30/-, I am required to give all the technical directions.

7 It will readily be seen that even the present direct charge (1-15) is too much for one man of the type of an Overseer, as he is required to supervise all the detail work as well as to attend to all Office work, and for this reason I desire as soon as circumstances permit to divide the overtime supervision between two Darogas (in place of the present Park Overseer) one being in charge of the Curzon Park with a number of the minor gardens and the other in charge of Gordon Park with the remaining minor --- gardens in that vicinity.

8 The Daroga of Daria Dowlat Bagh will have to take charge of Gumbuz in addition to the present duties. The Avenue Inspector and Farm Manager of the Municipality remain as now. The whole of the 23 charges will thus be under five subordinate officials.

9 The most important and essential measure urgently required is that the whole subdivision be placed under a more qualified Assistant so as to ensure a more efficient supervision of the works generally and more prompt execution of ^{the} periodical inspection orders, further to bring the office work under a single ---- responsible head and to effect better progress in the works now under the Municipality and Trust Board.

10 In order that this may be done without extra cost under present financial conditions, I solicit the sanction of ---- Government to transfer the Hill Assistant (now actually working at Mysore) from the present budget head (Hill Stations) to the Garden Establishment. This will save much in Travelling Allowance and batta which the present temporary deputations involve. The Curator of the Hill Stations will carry on the Administrative duties and the necessary help for technical work will be ---- given by the Lal-Bagh Office.

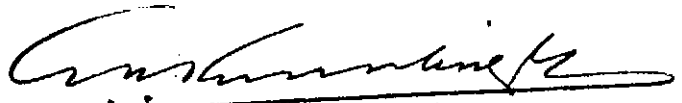

(40)

// As the budget is now under preparation, I shall esteem it a great favor if you will obtain orders early. The proposal involving no extra expenditure but rather effecting a saving, I am confident that there is nothing in the way of its sanction.

The Special Finance Committee recommend
that the expenditure on Hill Stations might be
reduced by Rs. 5,000 by the abolition of the
posts of the Curator and the Hill Assistant
and by a reduction in the grant on account of
improvements and contingent charges. The --
Superintendent, Government ~~Gardens~~ Gardens, is

is agreeable to the abolition of the posts of the Curator and the Hill Assistant provided a more efficient Daroga on Rs. 50 a month is appointed. The grant on account of improvements and contingent charges has been reduced by Rs. 600 in the budget of the current year and the Superintendent, Government Gardens, is of opinion that further reductions cannot be effected without materially -- diminishing the efficiency and usefulness of the Hill Station.

2. After a careful consideration of the recommendations of the Special Finance Committee and the proposals of the Superintendent, Government Gardens, Government direct that the posts of the Curator and the Hill Assistant be abolished. The pay of the Daroga at present is Rs. 40 and it ^{will} ~~be~~ be raised, as recommended by the Superintendent, to Rs. 50, the increase of Rs. 10 being found by the abolition of the peon drawing that salary in the Hill Station Staff. (A suitable ^{official} ~~person~~ may be -- appointed ^{as Daroga} for the discharge of the more responsible duties which will devolve upon ^{this official} ~~him~~ in ~~the~~ future in case the present incumbent is not considered -- fully competent.)

(b) Government agree with the Superintendent, Government Gardens, that no further reductions, -- than those effected in fixing the budget of the current year, can be made in the allotment on ~~6000~~ account of Improvements and Contingencies.

(c) Separate orders will issue in regard to ~~the~~ raising the rates of rent charged for the -- occupations of the bungalows and other matters with a view to make the Hill Station at Nandidro as self-supporting as possible.

3. The total retrenchments effected in the expenditure on Hill Stations will be Rs. 4,266-10-8 as follows:-

3. Government Order No. 12695—G. M. 282-16, dated 22nd March 1917, prescribing rules for the occupation of Nandi Hill Bungalows.

4. Resolution No. 14 of the Special Finance Committee, recommending among other things, the abolition of the posts of the Curator and the Hill Assistant and reduction in the grant on account of improvements and maintenance charges of the Hill Station.

ORDER NO. G. 1705-64—G. M. 34-21-12, DATED 26TH JANUARY 1923.

The Special Finance Committee recommend that the expenditure on Hill Stations might be reduced by Rs. 5,000 by the abolition of the posts of the Curator and the Hill Assistant and by a reduction in the grant on account of improvements and contingent charges. The Superintendent, Government Gardens, is agreeable to the abolition of the posts of the Curator and the Hill Assistant provided a more efficient Daroga on Rs. 50 a month is appointed. The grant on account of improvements and contingent charges has been reduced by Rs. 600 in the budget of the current year, and the Superintendent, Government Gardens, is of opinion that further reductions cannot be effected without materially diminishing the efficiency and usefulness of the Hill Station.

2. After a careful consideration of the recommendations of the Special Finance Committee and the proposals of the Superintendent, Government Gardens, Government direct that the posts of the Curator and the Hill Assistant be abolished. The pay of the Daroga at present is Rs. 40 and it will be raised, as recommended by the Superintendent, to Rs. 50, the increase of Rs. 10, being found by the abolition of the peon drawing that salary in the Hill Station Staff.

Government agree with the Superintendent, Government Gardens, that no further reductions, than those effected in fixing the budget of the current year, can be made in the allotment on account of improvements and contingencies.

Separate orders will issue in regard to raising the rates of rent charged for the occupation of the bungalows and other matters with a view to make the Hill Station at Nandydrug as self-supporting as possible.

3. The total retrenchments effected in the expenditure on Hill Stations will be Rs. 4,266-10-8 as follows :—

(i) Abolition of the posts of Curator and Hill Assistant	..	3,666-10-8
(ii) Reduction in the grant on account of improvements and contingencies	..	600-0-0

The Superintendent, Government Gardens, has applied for the services of a suitable Officer for work under him in the Lal Bagh for the discharge of the duties of the Assistant Superintendent who is now on deputation in England. Mr. Y. Rama Rao, whose appointment as Curator, Hill Stations, has been abolished in the Government Order read above and who would, in the ordinary course, have to be retired, will be attached temporarily to the Lal Bagh for work under the Superintendent, Government Gardens, ^{as Asst. Supt.} till the return of the permanent incumbent.

2. In view of the increase in the number of Gardens under the control of the Superintendent ^{at} ~~at~~ Mysore ^{City} and the extensive maintenance work required to be carried on there, the Superintendent recommends that a higher Officer than an -- Overseer ~~now in charge~~ may be appointed for work ^{here} ~~at Mysore~~ under the designation of Curator, ~~13700~~ Mysore Parks, ~~6000000~~ and Gardens. Government are pleased to accept the recommendation of the Superintendent and direct that Mr. A. Rama Rao, formerly Hill Assistant, Hill Stations, be -- appointed ~~as~~ Curator, Mysore Parks and Gardens, on Rs. 75-5-125. The increase in expenditure on account of the appointment of the Curator will be met from savings in the Hill Stations Budget.
